We are please to announce the *Selection Limited Edition* varieties for this year:

Each year, from January through April 2007, Winexpert releases limited quantities of five very special varieties, giving you the opportunity to create unique wines of great distinction and character. Now in its 17th year, Selection Limited Edition Series continues to be a highly sought after offering. In fact, wines made from Selection Limited Edition Series have received numerous awards at winemaking competitions throughout North America. Using a combination of 100% pure varietal grape juice and premium grape concentrates, Selection Limited Edition yields wines possessing superior flavour, aroma, and complexity. Due to their immense popularity, reserving your Selection Limited Edition order with **Wine Makers Headquarters**, a Winexpert Authorized Retailer is strongly advised, as each variety is only available during their month of release. To finish off your bottles in style, a package of 30 specially designed, Limited Edition bottle labels are included with each purchase. Selection Limited Edition wines have established a well deserved reputation for delivering unsurpassed quality year after year. *To reserve your Selection Limited Edition wine kits, please order below by December 11, 2006, 3:00pm Eastern Time.* We will call you as soon as your kit arrives, usually within the first two weeks of each month. Don't miss out on your chance to enjoy these five exclusive varieties!
